

MARLY SKIN®

The original

Proven skin protection against skin irritating and damaging materials

The ideal skin barrier for make-up artists, cosmeticians, stylists, special effects artists and their clientele

RELIABLE SKIN PROTECTION

- ✓ Easy application
- ✓ Over 4-hours of protection
- ✓ The skin feels, breathes and perspires normally
- ✓ Non-greasy and invisible
- ✓ May be applied to the whole body, including the face
- ✓ Hypoallergenic, nontoxic and safe for use around the eyes & mouth
- ✓ Once applied, make-up and skin adhesives may be applied as usual

MARLY SKIN®
"We've got you covered"

- ▶ Simply apply MARLY SKIN® to dry clean skin
- ▶ Wait 3 minutes to dry and the skin is ready for customary make-up application
- ▶ It's a highly effective skin barrier even against latex and metal allergies

- ✓ Protection under make-up, special effects make-up, hair dyes and permanents
- ✓ Protection in the event of contact with solvents and disinfectants and from constantly wearing gloves
- ✓ Protection when working with materials such as latex, cold foam, PU materials, skin adhesives, fragrances and cleansers

The MARLY SKIN® innovative differentiator:
It's protection *in* the skin, not on the skin!
